

Siren Song

Bat for Lashes

Are you my family
Can I stay with you a while
Can I stop off in your bed tonight
I can make you smile

In the morning I'll make you breakfast
In the evening I'll warm the bed
And I'll always be happy to kiss you
Promise I'll never get sad

Till the sirens come calling, calling
It's driving me evil, evil
I was a heart breaker
Loved you the same way I do
But I've got so much wickedness and sin

My name is Pearl
And I love you the best way I know how
My blonde curls slice through your heart
When the siren come calling
It won't be long until you're running

Help you dress yourself up fancy
And bathe you when you get sore
I'll be good, I think I could
Be all you would want and more and more

Be proud when you dazzle the wanderers
And glitter your eyes for the town
Tell every last boy that you're my man
I'll try not to let you down

Till the sirens come calling, calling
It's driving me evil, evil
Mama was a heartbreaker
Loved you the same way I do
But I've got so much wickedness and sin

My name is Pearl
And I love you the best way I know how
My blonde curls slice through your heart

When the stars are exploding in the night
It won't be long till you're break
No it won't be long till you're break
It won't be long until you're break
It won't be long until you're break
'Cause I'm evil, 'cause I'm evil
