Covered In The Blood Of The Gods

Battlerage

Fallen brother Hear my call The proof is my blood Windication I will brought For I will fight with the sword of the lost And the oeath will be heard in the storm And in the end I know I will fall Covered in the blood of the gods Vengeance, the deathsong that rings in my head Treason, my heart now is burning in pain For I have seen the faces of death Hatred, my sword and my bands lust for blood Blinded by rage as the thunder comes forth I swear by my blood you will die as dog Brothers, in battle I'll honor your name Carnage I'll brought and the havoe I'll reign The killers will die they will perish in flames Thunder and lightning my symbols of pride Judgement has come, I will take all your lives My stell meet your blodd, no one will survive You will die And I will fight with the sword of the lost And my oath will be heard in the storm And in the end I know I will fall Covered in the blood of the gods Darkness, my path will be covered in blood Ashes will show Ive fulfilled my oath You are the ones who have doomed your souls Bloodshed and chaos, madness and pain Breaking your bones I will take our your head And in the end your bode I'll Burn Vengeance, the deathsong that rings in my head Treason, my heart now is burning in pain For I have seen the faces of death Hatred, my sword and my bands lust for blood Blinded by rage as the thunder comes forth I swear by my blood you will die as dog Your must die And I will fight with the sword of the lost And my oath will be heard in the storm And in the end I know I will fall Covered in the blood of the gods Brothers, in battle I'll honor your name Carnage I'll brought and the havoe I'll reign The killers will die they will perish in flames Thunder and lightning my symbols of pride Judgement has come, I will take all your lives My stell meet your blodd, no one will survive Darkness, my path will be covered in blood Ashes will show Ive fulfilled my oath You are the ones who have doomed your souls Bloodshed and chaos, madness and pain Breaking your bones I will take our your head And in the end your bode I'll Burn You shall die For I will fight with the sword of the lost And my oath will be heard in the storm

And in the end I know I will fall Covered in the blood of the gods
