

# The Dog's a Vapour

Bauhaus

The moon sheds light  
when all is dark  
the dog's reaction is to bark.  
Is that the moon's fault?  
Tell me true  
Tis the dog's nature  
So to do.  
The moonlight fills all heaven with mirth

The dog's a vapour  
Belched by earth  
The dog's a vapour  
Belched by earth.

There's something in you.

Tis the dog's nature  
So to do  
The moonlight fills all heaven with mirth  
The dog's a vapour  
There's something in you

The dog's a vapour  
The dog's a vapour  
Belched by earth

The dog's in you
