

# Wolves

BBMak

I'm leaving it, I'm leaving it behind  
I know I was but now I'm not blind  
When it's knocking at your door  
Oblivious to it all  
Well you don't know what you just might find  
The color in your mind

You're the only one to make me feel this way  
All the wolves have gone and now were on our way  
Gonna love you 'til my heart stops beating  
Gonna love you 'til my heart stops beating

Whoa whoa whoa whoa  
Whoa whoa whoa whoa

I'm breathing it I'm breathing it inside  
No need for us to bleed and then hide  
In the ashes of the fall  
We make sense of it all  
Cause you don't know what you just might find  
You're the color in my life

You're the only one to make me feel this way  
All the wolves have gone and now were on our way  
Gonna love you 'til my heart stops beating  
Gonna love you 'til my heart stops beating

Whoa whoa whoa whoa  
Whoa whoa whoa whoa

Gonna love you 'til my heart stops beating  
Gonna love you 'til my heart stops beating

Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa

You're the only one to make me feel this way  
All the wolves have gone and now were on our way
