

## Bummer Time

Be Your Own Pet

Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x)  
I think about you all week long  
My mind constantly singing your theme song  
And did you know I looked up to you  
I want to be just like you  
no one knows how it was for me  
No one know what you meant to me  
Everyone talks about it like they were there  
All this nostalgia but nobody cares  
Everyone talks about it like they were there  
All this nostalgia but nobody cares  
I woke up early just for you  
I'd wait all week long for you too  
And there you were on my t.v.  
I thought you were there just for me  
Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x)  
Every time you came I played along  
I didn't know that you'd do me, god  
And now your back what can I say  
I can't even look at you the same way  
no one knows how it was for me  
No one know what you meant to me  
Everyone talks about it like they were there  
All this nostalgia but nobody cares  
Everyone talks about it like they were there  
All this nostalgia but nobody cares  
I woke up early just for you  
I'd wait all week long for you too  
And there you were on my t.v.  
I thought you were there just for me  
Bummer Time!
