Let's take your car and to amusement parks USA
At Palisades in Salisbury Parks the rolly coasters are flyin
At Euclid Beach on the flying turns I'll bet you can't keep her
smilin'

Buy your girl a cotton candy while you're down on the ground Then take her on the twirl-a-way and spin her around Let's take your car and mess around at the park all day

The parachutes at Riverview Park will shake us up all day And Disneyland and P.O.P. is worth a trip to L.A. Watchin' girls in the air can really get you bad And I'll bet the laughin' lady makes you laugh like mad Let's pick up our friends and do amusement parks USA

[Spoken, supposedly by Beach Boys session drummer Hal Blaine] Hurry, hurry, hurry folks step right up to the Beach Boy circus

The best little show in town.

Hurry, hurry, it's only a dime folks, one thin dime, just one tenth of a dollar.

Come on in and see Stella the snake dancer (Is it real?) She walks, she talks, she wiggles on her belly like a snake. (She looks like afake to me) (Let's go see her) (It costs too much)

Hurry, hurry, hurry folks, come on and see Stella. She shimmies, she shakes....

You'll crash and burn in the bumper cars at Jersey's steel pier You'll crack 'em up when you stand in front of all the crazy mi rrors

At first you'll be a chicken at the jackhammer ride But you'll do it with a girl sittin' right by your side Let's take your car and mess around at the park all day
