

Cuddle Up

Beach Boys

The night has come
Cuddle up to me
Keep warm
Mmm close to me

In dreams
We'll dream
Making love to wake
To find
Mmm we're still one

Your love
Your love
Your love
Your love for me
Is so
Warm and good to me
Growing every day
Honey
Honey
I'm in love

Ooooo

I know a man
Who's so in love
Mm mm

The night
Has come
Cuddle up
To me
Keep warm
Mm close to me

Your love
Your love
Your love
Your love for me
Is so warm and good to me
Growing every day
Honey
Honey
I'm in love

Ooooo oooo oooooooooo

I know a man
Who's so in love
Mm mm
