Here Today

Beach Boys

It starts with just a little glance now Right away you're thinkin bout romance now You know you ought to take it slower But you just can't wait to get to know her

A brand new love affair is such a beautiful thing But if you're not careful think about the pain it can bring

It makes you feel so bad It makes your heart feel sad It makes your days go wrong It makes your nights so long

Youve got to keep in mind love is here today And it's gone tomorrow Its here and gone so fast

Right now you think that she's perfection This time is really an exception Well you know I hate to be a downer But Im the guy she left before you found her

Well Im not saying you wont have a good love with her But I keep on remembering things like they were

She made me feel so bad She made my heart feel sad She made my days go wrong And made my nights so long

Youve got to keep in mind love is here today And it's gone tomorrow Its here and gone so fast

Keep in mind love is here today And it's gone tomorrow Its here and gone so fast

Love is here today And it's gone tomorrow Its here and gone so fast
