Lady Lynda

Beach Boys

Lady lady lady lady

Won't you come here and lie lady Lynda with me We can lie in the green canyon meadows And we'll hear the birds sing in the spring Don't you know if you'll stay lady Lynda with me We can talk about love everafter When you lie lady Lynda with me

Lynda, won't you say that we can be near You cannot deny there've been hard times oooh... Darlin', evolution is drawing us near Look in my eyes whoa

Lynda, won't you say that I am your man Don't look surprised, it's all in his plan oooh... But darlin', evolution is drawing us near Lie lady lie

Oooh lady won't you lie lady

Now won't you stay lady Lynda with me We can talk about love everafter When you lie lady Lynda with me

Ohh lady won't you lie lady Won't you ooh lady won't you stay lady with me When you lie lady Lynda

Come along with me Ohh lady won't you lie lady Won't you lie with me Darlin' you know you make my heart sing Won't you come along and sing a song Sing the sound of love Ohh lady won't you lie lady Won't you lie with me Darlin your love is like the coming spring Won't you come along and sing a song Sing the song my love Ohh lady won't you lie lady Won't you lie with me Darlin your love is like the coming spring Won't you come along and sing a song Sing the song my love Ohh lady won't you lie lady Won't you lie with me Darlin your love is like the coming spring Won't you come along and sing a song Sing the song my love Ooh lady won't you lie lady won't you marry me
