

## Make It Good

Beach Boys

Look at me  
Funny face  
That's not you  
A wrinkled nose  
A tear  
You're crying

Oh  
Rest your head  
Cry on me  
Don't be afraid  
I'll stay with you  
I know you'll make it  
And you'll make it good  
And you'll make it good  
And you'll make it good

All of my life  
I haven't known much  
All I know  
Is what I feel  
And what I feel  
And what I feel  
Love  
I'm in love  
Love  
Love

Ooo
