

There's No Other Like My Baby

Beach Boys

There's a story
I want you to know
About my baby
And how I love her so

Oh ohhhh, there's no other
Like my baby, oh no no no
Oh, there's no other
Don't mean maybe, oh no no no

Walkin' down the street
In a crowd
Lookin' at my baby
Feelin' so proud

Woah, there's no other
Like my baby, oh no no no
Woah, there's no other
Don't mean maybe, oh no no no

While I was dancing
My baby by my side
Whispered to her
Someday she'll be my bride

Woah, there's no other
Like my baby, oh no no no
Oh no
There's no other
Don't mean maybe, oh no no no

(Cindy.)
Cindy

Ooh ho, there's no other
Like my baby, oh no no no
No no
Oh, there's no other
Don't mean maybe, oh no no no

(Oh, that's just such a...)

(I thought it was really good.)
(Anybody have any cigarettes left?)
