You Still Believe in Me

I know perfectly well Im not where I should be Ive been very aware Youve been patient with me

Every time we break up You bring back your love to me And after all Ive done to you How can it be

You still believe in me

I try hard to be more What you want me to be But I can't help how I act When you're not here with me

I try hard to be strong But sometimes I fail myself And after all Ive promised you So faithfully

You still believe in me

I wanna cry...
