You needn't be a chamber

To house all the echoes and voices of those that have left you Are you talking to me or somebody that you once knew Passing through?

Do we talk anymore or do our voices

Dance around themselves in circles till we can't hear a damn th ing?

We're still as stone but our shadows are dancing Upon the wall

Oh, if ever get tired
Of your conversations with ghosts
And all those that you let too close
I'll be waiting

And I'll go swimming in the caves
In the sparkle in your eyes
They're just the tears you don't let yourself cry
Trying so hard to say goodbye

Precious little mercies

As I stumble between the pillars of this worn-out hacienda $\ensuremath{\mathsf{In}}$ the moonlight

Sometimes it takes a storm to appreciate the still night Don't let the darkness in

And your voice just raging

But how can I protect you from what happened to you then What's already been?

I can't give you the words that really should have come from hi $\ensuremath{\mathtt{m}}$

Babe, I'm showing you my hand

Oh, if ever get tired
Of your conversations with ghosts
And all those that you let too close
I'll be waiting

And I'll go swimming in the caves
In the sparkle in your eyes
They're just the tears you don't let yourself cry
Trying so hard to say goodbye
