

Isaac - Fragments

Bear's Den

Isaac, are you listening?
I watched it from afar
Yes, I watched as the clouds began to part
Isaac, can you see me now?
I've known you all my life
And I worshipped the ground you walk upon
Isaac, will you never learn
That a father's love must be earned
Or your mother need not learn?
Isaac, I have never seen you look so afraid
With your head pressed so hard against the stone
You look so alone

I'm gonna give all my love to you
I'm gonna give all my love to you
I'm gonna give all my love to you

Isaac, are you listening?
I watched it from afar
Yes, I watched as your life just fell apart
Isaac, I could never learn
Why a father's love must be earned
While your mother need not learn
How to love you

I'm gonna give all my love to you
I'm gonna give all my love to you
I'm gonna give all my love to you
I'm gonna give all my love to you

I'm gonna give all my love to you
I'm gonna give all my love to you
I'm gonna give all my love to you
I'm gonna give all my love to you
