

Mud Hill

Beardfish

Relax mommy,
We're climbing this mudhill.
Just going up to go down
And down we go...
Then up again.
It's good fun 'tj" for everyone.

Relax mommy,
We're going down the mudhill.
Rain makes the mud so soft.
It's harmless fun.
Please let us go!
The mud's so soft.

We can skip, we can jump.

Sliding down this pile of dirt.
It's just fun, it's a race.
You should never loose your face,
Even if you're the last one down.

We will run up the hill,
First one there will win for sure.
Then we'll throw ourselves down.
Almost every kid in town,
Screaming loud as the sun goes down.
