The sandman is bringing me a special gift A sleepy dream memory of our first kiss

```
Cast your shadow in my direction
```

The sandman comes tonight, I have a request A snapshot dreamy keepsake of your embrace

```
Cast your shadow in my direction
```

Cast your shadow over here, we'll make shadow plays We'll dig shallow graves in my shady shadow cave Your shadow grows longer in my twilight sleep I wallow in remember your lock me keep

```
Cast your shadow in my direction
```

Bring back shadows of your affection Cast your shadow in my direction Bring back shadows of your protection Cast your shadow in my direction
