Beat Happening

Hey dogwood day
Do you look so full of bloom
Stay awhile here with me
Please blow inside my room
Hey dogwood stay
Lay a pool of your shade
Let blaze on the sky
You're my fourtune cookie prize
Dogwood stay
Don't go away
Dogwoodstay

Climb high, climb high
You're my fourtune cookie prize
Climb high climb high

It's just you and me
Turn around to look and see
Climbing higher

Our toes never touch the ground
Way above on the timeber line
We'll leave the rest behind
