Sea Babies

Beat Happening

Met 'em both at the worst food lot I got something in my eyes Can't remember what it says Can't keep things inside my head

I don't know, what's that say? Nobody taught me, will you teach me today? What's that say? I can't see I don't know why but there's something I need

Want to talk about the things you know My head sees like TV snow 'cause I got something in my eye I can't talk, I'm too shy

Teach me the letters of the world I need words to be heard Make the sun melt away the haze Clear the fog from my gaze
