what goes on in your mind.

1. The other day I saw you as I walked along the road
C **Fmi**
but when I saw him with you I could feel my future fold
G7 C G
it's so easy for a girl like you to lie tell me why.

R: What goes on...

2. I met you in the morning waiting for the tides of time
but now the tide is turning I can see that I was blind
it's so easy for a girl like you to lie tell me why.

R: What goes on...

3. I used to think of no one else but you were just the same
you didn't even think of me as someone with a name
did you mean to break my heart and watch me die
tell me why.

R: What goes on...
