## **Atomic Love**

## **Beatsteaks**

this is atomic love

just a minute ago
i was watching the show
now we're shaking the floor
making trouble for sure
and we're screaming "the cure"

this is atomic love

and she knows what the part is kiss in a shot and get started we're turning into an easy target for something outrageous

i was just ready to know already out of control and i better get up for...
