

# God Knows

**Beatsteaks**

My friend it feels right it's got me and it's ringing bright so  
clear it's more fun lights on don't you get me wrong so neat a  
nd clean I want to slip into a bigger dream I saw a cat so real  
no word can describe the way I feel look up it's still me fuck  
ed up how i wanted to be so real alright I'm gonna dance with a  
broken back a role model and a bad disease call me if you need  
it and i tell you how it feels no doubt it's still weird It's  
clear leave it up to you my dear God knows what we're doing her
