

Kickin' For Days

Beautiful Creatures

Somebody somewhere's tryin' to make time on someone else's dime
Somebody's somewhere's tryin' to make time on someone else's wife
I don't mind and I don't care 'cos I've been through that before
To me it's just an uphill climb and I'm kicking through the door

You see now I know you, you know me
We always want it for free
I know, I know, I know, I know, I know, I know..

I've been kickin' for days
Countin' the ways
I've been through hell, now baby

I've been kickin' for days
Countin' the ways
I've been through hell

Don't back stroke, and don't tell lies, 'cos the wheel always comes around
You can slip, and you can slide, but you never touch the ground
You can take it from me, or take it from the Truth, or take it from the other side
Either way, it's gonna be a bitch, just to get your peace of mind

I know you, you know me
We always wanted it free
I know, I know, I know, I know, I know, I know..

I've been kickin' for days
Countin' the ways
I've been through hell, now baby

I've been kickin' for days
Countin' the ways
I've been through hell, now honey

I've been kickin' for days
Countin' the ways
I've been through hell, now baby

I've been kickin' for days
Countin' the ways
I've been through hell

Oh no...
I've been kickin' for days
Countin' the ways
I've been through hell, now baby

I've been kickin' for days
Countin' the ways
I've been through hell, now honey

I've been kickin' for days
Countin' the ways
I've been through hell, now baby

I've been kickin' for days

Countin' the ways
I've been through hell with you
