

I Don't Know Why

Bebe & Cece Winans

In the middle of the night
My heart's so full it's bursting
And when it enters in my mind
My heartbeat starts racing

Hey, what I feel here inside
This beat is played by need be
And this love that meets desire
It's forever; there's no ending

Now the guess and royalties
Are questioned everyday
I don't fully understand
That's why I say, that's why I say

I don't know why
I just know He does (He does)
I don't know why
I just know He does (He loves me)
I don't know why
I just know He does (He does)
I don't know why

God so loved the world
That He gave His prized possession
(Yeah, His only Son)
Which proves love is more than words
Love is words put into action
Yeah (This is love)

Okay we play
A give and take simulation
Yet when you give more than take
Comes a blessed revelation

Sometime reasons we can't see
Of the blinding love can be
And His showers of love just puzzles me
That's why I say

I don't know why
I just know He does (He does)
I don't know why
I just know He does (ooh, He loves me)
I don't know why
I just know He does (He does)
I don't know why

I said maybe my end
(Lord I can't see)
Or that something I've done
(To bring that again) ohh
Someone explain; tell me why, I must know why He does so yeah
(That's why I say I don't know why)

Really don't know
So glad He loves me (I don't know why)

They say He loves me
(I don't know why)
In the middle of the night
(I just know He does)
Loves me when I'm wrong
(I don't know why)
Hold me so tight
(I just know He does)
Said He loves me when I'm wrong
(I don't know why)
(I just know He does)
He loves me when I'm right
(I don't know why)
Yes, He does!
He loves me, He cares
He loves me, He cares
He loves me
I don't know why
And I really don't know why
So glad
I don't know why
He loves me
Glad that He does
I'm just glad that He does
