

Love And Freedom

Bebe Winans

Freedom, Freedom, (Love)& Freedom, Freedom
OOOhhmmm, Freedom, talk about love, Freedom, we talk about freedom (2x)

Everybody needs a secret place, where defenses are down, fear cannot be found,
Doesn't matter what the case may be, you will always be around, yes permanently.

We are talking love, we are talking about you and me, how you unlocked my heart and set me free, now I am living and feeling once again.

We are talking love, when you touched me I felt completely yours, I will always cherish and adore, good to know when you're found forevermore.

I found... freedom, freedom(echo), Its, looove, freedom, we talk about freedom

You know freedom stands for liberty, to say(echo) how you feel (echo), what you believe (echo). And even where there are times I am clearly wrong, still, you whisper my name and you hold me in your arms

We are talking love, we are talking about you and me, how you unlocked my heart and set me free, now I am living and feeling once again.

We are talking love, when you touched me, I felt completely yours, I will always cherish and adore, good to know when you're found forevermore.

I found... freedom, freedom(echo), Its, looove, freedom, we talk about freedom

(CHOIR) Can YOU!

Now can you imagine? Amidst of the ocean (CHOIR - OH YEAH)And you trapped by a raging sea (Choir -) Its' just a description of a truth that has happened, then love came and rescued me (CHOIR - Yes we're Talking)love,

Solo: oh my oh my

We are talking love, we are talking about you and me, how you unlocked my heart and set me free, now I am living and feeling once again.

We are talking love, when you touched me, I felt completely yours, I will always cherish and adore, good to know when you're found forevermore.
