

It's Well

Beckah Shae

Intro

(It's well) Wherever He goes I go
(It's well) Whatever He says I say
(It's well) Whatever He wants I want, too.
(It's well)
It's well with my soul, I'm doin fine
I've got a date who's always on time
My heart is better whenever,
I just keep my eyes on Him
It's well with my tears, they're filled with joy
My greatest fears have all been destroyed
My faith is better whenever
I just keep my trust in Him
Whatever I'm going through,
I know I can say that
He'll always be there,
He's got my back
He never gives up on me
He's all I need,
He's the very air I breathe
No matter what's before me,
He's all I see
And it's well, when He's all I see
Where He goes, I go,
Cause it's the only place I know
It is well,
Ya, He's in control, ooh
What He says, I'll say
Cause I know it's the truth
It is well,
He'll make all things new, ooh
It's well with my life, I feel alright
I've got vision and real sound mind
My time is better, whenever
I just keep my sights on him
It's well with my hope, I'm holding on
I'm weak, but I know in Him I'm strong
My end seems better, whenever
I finish well, and I'm with Him
Clouds will be rolled back as a scroll;
The trumpet will sound
The Lord will descend,
Even so, it is well with my soul
Praise the Lord, O my soul
It is well, it's well, it's well, I know!
But Lord, 'tis for Thee,
for Thy coming we wait,
the sky, not the grave, is our goal.
