

# Your Kingdom Come

Beckah Shae

Your kingdom come  
Your kingdom come, Your will be done  
I set my eyes on You first  
And only for what I need, I ask of You  
And as the day comes  
I pray something new  
Would have its way here  
As I'm waiting for You  
Yeah, I know this ain't my home  
And I know it'll all be gone before too long  
While the battle's almost done  
You just keep bringing us all together till we're one, till we'  
re one, yeah  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
You heal the sick and bring us all peace  
You set the captives free  
And through Your tears and Your blood I can see  
That nothing here but You helps me breathe  
Help me breathe  
Yeah, I know this ain't my home  
And I know it'll all be gone before too long  
While the battle's almost done  
You just keep bringing us all together till we're one, till we'  
re one, yeah  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
On earth as it is in Heaven  
Empower us while we're living  
On earth as it is in Heaven  
Yeah receive us into Your presence  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done  
Your kingdom come, Your will be done
