

Elisa

Bee Gees

All that I need is just a piece of paper
Say a few lines, make up my mind
so she can read it later, when I'm gone
Elisa, goodbye , Elisa

All that I need is just a quiet corner
Bring to the light , things I must write
Got to get it over with, choose
Elisa , goodbye, Elisa

The song that I sing
The times I've tried to hide it
I'm sorry to say, I'm going away
That's what I've decided on
I've tried
Elisa , goodbye, Elisa

Goodbye Elisa
Elisa goodbye
Elisa goodbye
Elisa, Elisa
