

Lovers

Bee Gees

We'll be lovers, lovers, lovers -- got to make you understand
We'll be lovers, lovers, lovers -- i wanna hold you in my hand
We'll be lovers, lovers, lovers

Wanna be a part of you
And I wanna make you part of me (sweet inspiration)
Oh, we can make it (make it), make it for the world to see
Don't be blind, time is on our side
And together we can touch the sky
We can make it if we really try
Ah, together you and i

We'll be lovers, lovers, lovers -- got to make you understand
We'll be lovers, lovers, lovers -- ah, got to hold you in my hand
We'll be lovers, lovers, lovers

Wanna be a part of you
And I wanna make you part of me (sweet inspiration)
Oh, we can make it (make it), make it for the world to see
Yesterday I had a feeling of a flame of burning desire
And you know we can make it if we really try
Oh, together you and i

We'll be lovers, lovers, lovers -- you to make you understand
We'll be lovers, lovers, lovers -- oh, got to hold you in my hand
We'll be lovers, lovers, lovers

Oh, lovers, lovers, lovers -- I got to make you understand
We'll be lovers, lovers, lovers
Wanna be a part of you
And I wanna make you part of me (sweet inspiration)
Oh, we can make it (make it) for the world to see
Yesterday I had a vision of a flame of burning desire
And you know we can make it if we really try
Oh together you and i

We'll be lovers, lovers, lovers -- till my dying day
We'll be lovers, lovers, lovers -- don't you ever turn away
We'll be lovers, lovers, lovers -- want to get close to you
We'll be lovers, lovers, lovers -- that's what I want to do
We'll be lovers, lovers, lovers -- make you understand
We'll be lovers, lovers, lovers -- got to hold you in my hand
