

# Rollin

Bei Maejor

I told her jump up in my car  
Woo-ooh  
And we was rollin', rollin', rollin', rollin', rollin'  
Woo-ooh  
That's exactly what it feel like  
When I watch her dance  
Woo-ooh  
Her body rollin', rollin', rollin', rollin', rollin'  
Woo-ooh  
That's exactly what it look like

I said excuse me baby but your name is  
Ain't you on TV, shorty ain't you famous  
'Cause you up in the club lookin' like a angel, angel  
Body lookin' ripe just like a mango, aye yo  
Girl tell me what you got poppin'  
What about this weekend we go Gucci shoppin'  
She said boy I done peeped what yo game was  
I said girl I just asked what your name was  
Because you...  
Gotta body like a video vixen  
And you...  
Got that antidote so gimme my prescription  
(Unh huh) She like my style  
(Okay) She show me love  
Pulled up in that drop  
Caught her walkin' out the club

I told her jump up in my car  
Woo-ooh  
And we was rollin', rollin', rollin', rollin', rollin'  
Woo-ooh  
That's exactly what it feel like  
When I watch her dance  
Woo-ooh  
Her body rollin', rollin', rollin', rollin', rollin'  
Woo-ooh  
That's exactly what it look like

I said excuse me little sexy mama  
Are you a voter, did you pick Obama  
You see I'm only tryna make sure that you legal, legal  
Body look like it could be lethal, lethal  
(Hold up) Baby let me see that  
See that cannot be real  
I can't believe that  
She said boy I done peeped where yo mind at  
I said I'm a little faded never mind that  
Because you...  
Gotta body like a video vixen  
And you...  
Got that antidote so gimme my prescription  
(Unh huh) She like my style  
(Okay) She show me love  
Had her screamin "yes yes"  
You know how I does

I told her jump up in my car  
Woo-oooh  
And we was rollin', rollin', rollin', rollin', rollin'  
Woo-oooh  
That's exactly what it feel like  
When I watch her dance  
Woo-oooh  
Her body rollin', rollin', rollin', rollin', rollin'  
Woo-oooh  
That's exactly what it look like
