

Nature become machine  
Scorched earth, black and clean  
Tree of life broken exceeded its reach  
Dust into dust; status achieved

See the movement of their limbs  
Subdue the body, the mind persists  
Left no mouth with which to scream  
Sedated lives in fever dreams

Our time will soon expire  
Bodies aching and grown so tired  
We turned our heart towards desire  
Left abandoned, thrown to the fire

No death, no life  
No heart, no mind  
No death, no life  
No heart, no mind

See the movement of their limbs  
Subdue the body, the mind persists  
Left no mouth with which to scream  
Sedated lives in fever dreams

Our time will soon expire  
Bodies aching and grown so tired

No death, no life  
No heart, no mind  
No death, no life  
No heart, no mind

This is the water  
And this is the well  
Drink full and descend  
The horse is the white of the eyes  
And dark within

No death, no life  
No heart, no light  
No death, no life  
No heart, no light
