

There is a chapel in the woods  
Where from the farthest-seeing senses rule  
There is a scroll inside a casket...  
Clear blue eyes have worn this outfit  
Yes I knew it was no moonshine, it is real  
I feel much better  
Now I know this spiral shaft  
Can possess the brightness of the light  
Oh, I sayeth, thou art mine true companion  
And I wish  
Thou wilt enter my kingdom  
Oh, mesmerising unicorn  
When if danger it will glow  
A glimmer can foresee all threats to come  
Gone are disbeliefs and doubts  
It would be nice, so nice...  
Oh, I sayeth, thou art mine true companion  
And I hope, thou wilt enter my kingdom  
Oh yes, I wish, I really wish
