

# Tic-Toc

Belanova

Tic toc  
Tic toc  
Tic toc  
Waking up today  
Makes me feel sad

Tic toc  
Tic toc  
Tic toc  
Flowers in their bloom  
Are dying fast

How should I know  
How should I write  
What you're feeling

How should I know  
Why should I mind  
What you're dreaming  
What you're dreaming

Time is short  
Life goes fast  
Love is gone  
Good bye

Time is short  
Life goes fast  
Love is gone  
Good bye

Tic toc  
Tic toc  
Tic toc  
Lying on your bed  
Makes me feel bad

Tic toc  
Tic toc  
Tic toc  
Wish that you were here  
But maybe not

How should I know  
How should I write  
What you're feeling

How should I know  
Why should I mind  
What you're dreaming  
What you're dreaming

Time is short  
Life goes fast  
Love is gone  
Good bye

Time is short  
Life goes fast  
Love is gone  
Good bye

Time is short  
Life goes fast  
Love is gone  
Good bye

Time is short  
Life goes fast  
Love is gone  
Good bye

Tic toc, Tic toc  
Breathe hard  
Deep fall

Tic toc, Tic toc  
Breathe hard  
Deep fall
