

# All Dat There

Bell Biv DeVoe

Woo haa  
Uh ohh  
Yeah baby  
Yeah baby

All I really want to know is baby  
Whatchu' doing with all dat there  
I hope I didn't offend nobody  
But I be all over that there  
Oh, what we doing oh  
You should put them on notice  
Because if your eyes keep leaning on my zipper  
It could get a little crazy babe  
Do you have any idea what that thing you've got can do  
Oh, I don't really want to fall back babe  
If you want it like I want it then you know that girl it's on  
Hope I ain't giving you the wrong idea  
Oh, baby

Girl I'm about to lose my mind  
I've fallen cause you're looking so right  
What you doing with all dat there, all dat there  
No  
Won't you break me off sometime  
Let me set with some of that good  
What you doing with all dat there, all dat there

I just wanna know  
You're walking, killing, feeling yourself baby go on get it  
The way you're moving your body  
Girl you got me going crazy  
Oh, careful I'm going to blow  
If I keep getting closer to you  
I gotta stay in control, girl  
Do you have any idea what that thing you've got can do  
Oh, I don't really wanna fall back babe  
If you want it like I want it then you know that girl it's on  
Hope I ain't giving you the wrong idea  
Oh, baby

No  
Won't you break me off sometime  
Let me set with some of that good  
What you doing with all dat there, all dat there

I wanna put my hands on your hips (On your hips)  
So, make sure I get a grip (Hoo)  
I bet you I can make that thing flip (Yes you can)  
Bring it over here so I can kiss both lips  
Why?  
'Cause you know and I know if we go  
Back to my mansion your body's so fuego  
And you got me feeling like Scarface  
It's okay!

'Cause my sex game frio, chyea

Great sex and conversations stimulation  
Foreign places we go  
When other brothers try to holler  
She show her tattoo of Bell Biv DeVoe  
Hell yeah she mine  
And hell yeah she fine  
But you could still stare  
You wanna know how I know? (How you know?)  
'Cause when I ask her what's mine (whoop-whoop)  
She be like all that there  
All that chyea

Girl I'm about to lose my mind  
I've fallen cause you're looking so right  
What you doing with all dat there, all dat there  
Won't you break me off sometime  
Let me set with some of that good  
What you doing with all dat there, all dat there
