

She's Dope!

Bell Biv DeVoe

That, that
(Yeah)
Th-th-th-that
(Yeah)
That girl's dope

Mmm, mmm, mmm

Dope

Say it loud
She's dope
Say it loud
That girl's dope

I saw her picture in the magazine
Her body's dope
And you know what I mean?
She looks so hot
It makes me full of steam

She reminds me
Of a sexy X-rated video queen
I might just take my time
And make that girl mine

She's dope
And I know she's good
I can't cope
Cause that girl is dope

That girl is dope
Say it loud
She's dope
That girl is dope
Say it loud
That girl's dope
She's fly

Definitely wanna make you scream
Her body's like a built machine
Everybody's asking if she's mine
Girls like this
Are really hard to find

Yeah, beautiful
(Word)
Girls like this are really hard to pull
Everybody's always saying nope
I can't cope
Cause that girl is dope

That girl is dope
Say it loud
Dope

She's dope

That girl is dope
Say it loud
That girl's dope
Mmm mmm

Dope
Dope

Say it loud
Say it loud

Say, say
Say it loud
Say, say it

Say it
Say it loud
Say it loud

Say, say
Say it loud
Say it

Physical attraction
Maxing
Relaxing
That dope, dope
Body enticing

Mmm
I'm about to get loose
Come here, girl
I wanna knock your boots

Left, right
Right
Left, back
Honey sweat
B.B.D. in effect

A hundred percent class
You pass by the class
She's shaped like an hourglass

She's
(Dope)
Body stronger than Bacardi
She's the best
Of all the girls in the party

Mean
Scheme
Fiend
Clean
Sheen
She's a superior being
Know what I mean?

Fly
Beautiful
Hype on
Word is bond
Bag it up

And I'm gone

All you brothers out there
Can't cope
(Let me get it, M.B.)
Nope, the girl is dope

That girl is dope
Say it loud
Dope

She's dope
That girl is dope
Say it loud
Dope, dope

That girl's dope
Say it loud
Dope

She's dope
That girl is dope
Dope

Say it loud
That girl's dope
Mmm, mmm
