

B*TCH I'M BELLA THORNE

Bella Thorne

Are you ready?

Bitch, bitch, bitch I'm Bella Thorne (What? Damn)

Bitch I'm Bella Thorne

Bitch I'm Bella Thorne

I don't need an ID 'cause I'm Bella Thorne

Seen me on TV a million times before

Been inside the club since I was hella short

Now my money talk shit since you can't afford

I don't got a license but I got a Porsche

Yeah, I got some drivers they open my door

Pussy scuba diving, need a surfboard

Let me show my nipples, what I need a shirt for?

Bitch, you need to learn more

I'm only 20 and I'm clean

By the time I'm 23, I'll probably be the king

Every guy that I meet tryna give me a ring

I say "Get down on your knees and eat the whole damn thing"

Back when I feel like it

I just hit low till I book that trip

When I rap is the only time that I spit

Yup, that's some dirty shit B, haha

But I gotta admit

Bitch I'm

Bitch I'm Bella Thorne

Bitch I'm Bella Thorne (bitch I'm Bella Thorne)

I should be freaking up but I'm hella bored

Wake up in the morning and I feel so gobby

Look into the mirror and say "I love my body"

Everybody dancin' on me, think that I'm zombie

I do like some things but none of them are my hobby

One night got some insecurity in the lobby

'Cause everywhere I go I guarantee paparazzi

I'm not tryna front, you see me riding shawty

So paparazzi, make sure you get good shots of me

I be taking shots on my car, I'm so crazy

I hear MOD SUN, he said "Imma happy baby" (Bella T-)

[?] I piss all in myself

And if I have a wish I'd be they nobody else

Bitch I'm Bella Thorne

Bitch I'm Bella Thorne

Wait hold up, hold up [?] (bitch I'm Bella Thorne, bitch I'm Bella Thorne)

Come on [?] over here (bitch I'm Bella Thorne, bitch I'm Bella Thorne)
