Bella Thorne

Oh, huh, oh, huh, oh, huh, oh
Mmm, huh, oh, It's me

Oh, I love the way she say that pussy mine
Oh, I work that pussy out like nine to five
Oh, can't get that pussy off of my mind
Oh, hit it from the front, then I hit that pussy from behind

(Oh yeah) Pussy, pussy, twist your leg
(Oh yeah) Break it, break it, break your neck
(Oh yeah) I'm a dog (woof), what'd you expect?
Oh, I'mma make you sweat
Oh, I'mma wreak myself
Oh God, what's that?
Got your feet up by your neck
Never break up, but I fuck you like it's make-up sex
You go run and tell all your friends my dick the best
Like a waterfall, the way I keep the pussy wet (wet)
Wet (wet), wet, fuck your ex
Oh, yeah, bring the tray
Ice cream pinch up on your chest
Oh yeah, don't take your test
We gon' have a fuck fest
(Oh) you're a dirty bitch
That's some shit I never guess
(Oh) we gon' make a mess
Fucking up your mattress
