

Ring Ring

Bella Thorne

Hey, girls hey, girls.
Hey, girls hey, girls.
Hey, girls we're rolling out.
There's something in the air.

The world's a disco ball.
The party is everywhere.

Drop the beat down
one, two, one, two.

When the beat drops
down we drop down, too.

Drop the beat down
one, two, one, two.

What to do? What to do?

Ring, ring calling my girls.

Bring, bringing
it to the whole world.

Keep singing it
ooh, ooh, ooh, ooh, ooh.

Woo!

Step, step it up on the floor.
Right, left two, three and four.
One love there's room for more.

Because when we get together.
Dancing till 2000 and forever.

Ring, ring calling my girls.

Bring, bringing
it to the whole world.

Keep screaming it oh, oh, oh, oh.

Hey, girls hey, girls.

Drop the beat down
one, two, one, two.

When the beat drops
down we drop down, too.

Drop the beat down
one, two, one, two.

What to do? What to do?

Ring, ring calling my girls.

Bring, bringing
it to the whole world.

Keep singing it
ooh, ooh, ooh, ooh, ooh.

Hey, girls.

Step, step it up on the floor.
Right, left two, three and four.
One love there's room for more.

Because when we get together.
