

Me And You

Belle Perez

Let me take you to a place
Where sense all white
The ocean blue

Me and you
And summertime blue
With your lovely dovelly sunny funny face
I love you

Me and you
And summertime blue
Singing hey na na
Ho na na

Hey na na
Ho na na
Hey na na
Hoo

Hey na na
Ho na na
Hey na na
Hoo

From the moment that we met
Oh boy I can't forget the way you smile oh no
Let me tell you
How it feels to fall in love
Head over heels
I like your style

Me and you
And summertime blue
With your lovely dovelly sunny funny face
I love you

Me and you
And summertime blue
Singing hey na na

Ho na na
Hey na na
Hoo

Hey na na
Ho na na
Hey na na
Hoo

Hey na na
Ho na na
Hey na na
Hoo

Let me take you to the sea
I wanna make love with you baby
All night long

Oh yeah

Let your body flow
I love you so
This can't be wrong

Me and you
And summertime blue
With your lovely dovely sunny funny face
I love you

Me and you
And summertime blue
Singing hey na na

Ho na na
Hey na na
Hoo

Me and you
And summertime blue
With your lovely dovely sunny funny face
I love you

Me and you
And summertime blue
Singing hey na na

Ho na na
Hey na na
Hoo
