Stigmatic

Belligerence

I see human fight
And me as a victim
Poisson is injected to my, entrails.

Thousand years, thousand ages
Tons of ammo, lots of bodies
Feed my skin and it releases
Bloody era! Bloody era!
I'm full of mess,
Growing from darkness
I'll be your fate
Bloody era! Bloody era!

Immerse – Swarm
Immerse – Human mind
Reverse – Ground
Erase – Human kind
My heart flies inside my mind as well as hell
Came, I'm full of flame
Immortal Eye cries in order to.
Immerse – Swarm
Immerse – Human mind
Reverse – Ground
Erase – Human kind!

Thousand years, and thousand ages
Tons of ammo, Lots of bodies
Feed my skin and it releases
Bloody era! Bloody era!
I'm full of mess,
Growing from darkness
I will be your fate
Bloody era! Bloody era!
Immerse – Swarm
Immerse – Human mind
Reverse – Ground
Erase – Human kind!
I cannot be good
I cannot be, fair...

I cannot be good, for another year
This pain never, disappears.

My, heart flies inside my mind as well, as hell
Came, I'm of flame
Immortal Eye cries, in order to.

It cannot be good, for another year
I will kill, I'll never disappear.
