

don't wake me from cyanight
I am floating with you
don't wake me from cyanight dreams

I burn for you
I burn for you in cyanight

they float, they float
and when you're down here with me you'll float too

reflections I see you again - filling the empty spaces
reflections filling the void
we're floating without return there is no way to come back
we're floating endlessly

and in the embers of this hell lingers my endless yearning
deep in the embers of my hell

don't wake me from cyanight
I am floating with you
don't wake me from cyanight dreams

I burn for you - it's gonna be the last time in forever
I burn for you - but there is no one to change my world for me

a memory waking the dead
bringing the pain and longing back
in the embers glows our love - again
I burn for you - it's gonna be the last time in forever
I burn for you - cyanight dreams will end this hell

hell's angels are guiding me
they will show me the way
forever eternity
du schenkst mir unendlichkeit
es wird niemals vergehn
wir beide in ewigkeit

das wunder wird wirklichkeit
es wird immer bestehn
wir beide in ewigkeit amen
amen
