

Shred for Sathan

Belphegor

A new age - of blazing fire
Horned goat - fight for the throne
Lightbearer - prince of power
Singlem solis - the seal of the sun

Under the sign of the pentagram
Fire thunderbolts and storms
We shred for sathan
We shred for sathan

Evil spirit - son of the dawn
Fallen angel - refused to kneel
Cast thy shadow - over the earth
Singlem solis - the seal of the sun

Under the sign of the pentagram
Fire thunderbolts and storms
We shred for sathan
We shred for sathan
