That's All

I can only give you love that lasts forever And the promise to be near each time you call And the only heart I own for you and you alone That's all, that's all

I can only give you country walks in springtime And a hand to hold when leaves begin to fall And a love whose burning light Will warm the winter night That's all, that's all

There are those, I am sure, who have told you They would give you the world for a toy All I have are these arms to enfold you And the love time can never destroy

If you're wondering what I'm asking in return, dear You'll be glad to know that my demands are small Say it's me that you adore, for now and evermore That's all, that's all
