## Army

Well I thought about the army Dad said, son you're fucking high And I thought, yeah there's a first for everything So I took my old man's advice Three sad semesters It was only fifteeen grand spent in bed I thought about the army I dropped out and joined a band instead

Grew a moustache and a mullet Got a job at Chick-Fil-A Citing artistic differences The band broke up in May And in June reformed without me And they'd got a different name I nuked another grandma's apple pie And hung my head in shame Oh no

I've been thinking a lot today I've been thinking a lot today

Whoa, I think I'll write a screenplay Whoa, I think I'll take it to LA Whoa, I think I'll get it done yesterday Aw, shit

In this time of introspection
On the eve of my election
I say to my reflection
God, please spare me more rejection
'Cause my peers they criticize me
And my ex-wives all despise me
Try to put it all behind me
But my redneck past is nipping at my heels

I've been thinking a lot today I've been thinking a lot today I've been thinking a lot today I thought about your mommy...
