

Lions

Ben Haenow

I don't know either.
Someone else please add lyrics.
Well, I could've added lyrics.
But I'm a lazy prick.
So.

Ah well, actually I stopped writing.
And tried to submit.
But this damn thing,
So I got to keep on writing this.
Ahhh... somebody help!

But this song is great.
Well, I don't know what else to add.
Okay... I'll try submitting this.
And if I stop continuing this,
then I succeed in doing this.
