```
C G F
You, youve been looking at me just a little too long
           С
now I can never look the same
           G
Blindness and kindness, theres no difference in the two
C G
                     С
when I can no longer see the good in you
F G C C7
So wont you show me a little shaaaame
   G C G
Wont you show me a little shaaaame
       G F# F
Now cause Im, Im a gentleman, lookin for a gentlewomen
C G C
so-called ladies keep breakin my heart
C G F# F
Show me a house, show me a home
C G C C7
show me how it could all fall apart
       G
So wont you show me a little shaaaaame
F G C
Wont you show me a little shaaaaame
Wont you show me a little shaaaaame
cause now I wake up in the morning more tired than before I slept
I get through crying and Im sadder then before I wept
I get through thinking and the thoughts have left my head
I get through speaking and I cant remember not a word that I said
         G F
You change your mind so many times
               G C G
I wonder if you have a mind at all
C GF#F
And Id rather be by myself
               С
than to have your lonesome company come to call
                 C C7
       G
So wont you show me a little shaaaaame
F G C C7
Wont you show me a little shaaaaame
F G C C7
Wont you show me a little shaaaaame
                  С
(Fade Out....) Wont you show me a little shaaaaaame
```
