Check me out.

Im losing control.

I wanna rock and roll.

But everything I planed just sliped right through my hand.

I dont know why.

Im a nice guy.

I wanna take it easy baby

But every time I start my world falls apart.

I dont know why.

The world is feelin' like it's passin' me by i'm fixin' to lose it but I dont know why.

Check me in.

I wanna be your friend.

I wanna be your lover baby

But everything I say comes out the wrong way

I dont know why.

So I guess i'll let it slide by.

I wanna take it slowly honey.

I'm feelin' like a fake every move I make.

I dont know why.

The world is feelin' like it's passin' me by i'm fixin' to lose it but I dont know why.

Again and again and again I try. im fixin to lose and I dont know why

The world is feelin' like it's passin' me by i'm fixin' to lose it but I dont know why.
