

Desire

Ben Lee

I gotta go in
If I ever wanna come out alive
Will I survive this
I want, I want, I want
I want, I want, I want

Desire, Desire, Desire
Desire, Desire, Desire

Close to the edge
This is a dream I had when I was young
So young
You taking me over
I want, I want, I want
I want, I want, I want

Desire, Desire, Desire
Desire, Desire, Desire

I want, I want, I want you

I've gotta let you
If I wanna keep holding on

Desire, Desire, Desire
Desire, Desire, Desire
