

# Uncreation

## Benedictum

Pain is all around me  
And there's a darkness within my soul

Bright skies are black again  
Reaching out to the uncreation  
The dogs of war unleashed again  
Tearing at the flesh of a nation

Uncreate the sun  
My eyes  
Uncreate the sun  
My eyes cannot see

Uncreation (4x)

Arrogant and eloquent  
Hard to tell the hearts inclination  
Self appointed hierophants  
Making plans for the next generation

Uncreate the sun  
My eyes  
Uncreate the sun  
My eyes cannot see

Uncreation

Uncreate the sun  
My eyes  
Uncreate the sun  
My eyes cannot see  
Uncreate the sun  
My eyes  
Uncreate the sun  
And recreate me

Recreate me  
Recreate me
