

## Strange

Beres Hammond

Strange woman is strange cho can believe dis  
How come you tell me that you love me then you run away  
And if you love me why you listening to hearsay  
'Cause in the night you pack you things and mek you getaway

And if you neva love me shoud a tell me right away  
You neva hi me when me rapsa up de next day  
Feel like a soccer when dem naah gi no air play  
Like a piece a furniture you lef me pon de lay-a-way  
You got me roun de block me wan fi know wha you a seh

Mi nah go deal wid it your way, wid all de Latin music a play  
Di dinin' and di violin and le le mi nah go siddun and listen  
'Cause I know you gonna have to make a 360 turn  
All that standing on your own make sure no bridge nah burn  
Either you like it or leave it

Might no know nuttin' much 'bout biology  
Set speed when it come to trigonometry  
Right yah now and dis between de whole a we  
Yes me know enough fi know when gal a swing me  
And me no really waan fi put you under pressure

Mi haf fi sure seh you runnin' days are over  
An you come stan up long side me like soldier  
And give up dat wid some better behavior  
Mi naah go deal wid it your way

Wid all de Latin music a play di winin' and di dinin' an you le le  
Mi nah go siddun and listen, if mi know you a go missin'  
Make a 360 turn or stay on your own, make sure yuh bridge nah burn  
Either you like it or leave it

How come you tell me that you love me then you run away  
And if you love me why you listening to hearsay  
'Cause in the night you pack you things and mek you getaway  
And if you neva love me shoud a tell me right away  
'Cause me vibes neva irie me de nex day  
Feel like a sample dem naah gi no air play dam

Ribly bom skeng you come back again  
Mi naah go deal wid it your way wid all de Latin music a play  
Winin' and di dinin' an you play le mi nah go siddun and listen  
If mi know you a go missin' make a 360 turn  
Hold your debt on your own make sure yuh bridge nah burn  
Either you like it or leave it

Mi naah go deal wid it your way wid all de Latin music a play  
Winin' and di dinin' an you le, le mi nah go siddun and listen  
If mi know you a go missin' make a 360 turn  
Hold your debt on your own
