

Wrong Situation

Beres Hammond

We gotta sort it out while we can,
Abort a hurtful situation.

You're someone else his lady,
You're someone else's man.
And we got caught in a bad situation,
And it's wrong, so wrong so wrong,
Yes it's wrong, so wrong so wrong.

Hush baby, don't even speak,
Just the sound of your voice,
Makes me so weak.
Na, na, this love affair,
Isn't going anywhere,
Onto the one at home,
Who is all alone, it's so unfair.

You can't do right in a wrong situation,
Others get hurt, when you heal to temptation,
We got to call it off, and turn it off,
I can't see you again.
We can't do right in a wrong situation,
Others get hurt, when you heal to temptation,
We got to call it off, turn it off,
I can't see you again.

Now, the last thing I want to do,
Is to break up my happy home,
And it would hurt him so, if he found out,
I was fooling around.
So I made my decision,
In spite of all of the pain,
Though I know it's gonna hurt me real bad,
I can't see you again.

You can't do right in a wrong situation,
Others get hurt, when you heal to temptation,
We got to call it off, and turn it off,
I can't see you again.
We can't do right in a wrong situation,
Others get hurt, when you heal to temptation,
We got to call it off, turn it off,
I can't see you again.

You don't know how that is gonna hurt me,
Can't miss the program.

Now, the last thing I want to do,
Is to break up my happy home,
And it would hurt him so, if he found out,
I was fooling around.
I made my decision,
In spite of all the pain,
Though I know it's gonna hurt me real bad,
I can't see you again.

You can't do right in a wrong situation,

Others get hurt, when you heal to temptatation,
We got to call it off, turn it off,
I can't see you again.
We can't do right in a wrong situation,
Others get hurt, when you heal to temptatation,
We got to call it off, turn it off,
I can't see you again.
